**COST: \$35**

Camp Shamineau is hosting a training/fellowship/R&R retreat for all youth workers, vocational and volunteer!

Many of us need a refresher on establishing a biblical and philosophical foundation for why and how we do youth ministry. What was Jesus' model of disciple making? How does that impact what we do?

Our guest facilitator, **Joel Zaborowski** from **SonLife** will be on hand to walk us through these issues and more. Joel has been an EFCA youth pastor, sr. pastor, and church planter who continues to work with students from his own church and will inspire us with his own insights and guide us in dialog as we build on our own experience.

AND, of course, there will be the great Camp Shamineau food and activities that will give us time to simply fellowship and get to know each other. *(See below for the schedule.)*

If you are a lay leader and are unable to attend the entire retreat, attend what you can – contact the camp office and we'll work out a pro-rated cost to this already inexpensive retreat (800-305-8118).

Go to [www.shamineau.org](http://www.shamineau.org) to register online or call the camp office at 218-575-2240.
