4. What are the sleeping arrangements? Will I be housed with people I don't know?

Moms and daughters are housed together in the same room with other daughters of similar age and their moms. If you are coming with a group of moms and daughters you will be housed together and you would know the others in your cabin or room. If coming with a group be sure to indicate that when you register.

We have a variety of buildings that house our guests. Our Retreat Centers have sleeping rooms that each typically have 3 sets of bunks in them. The bathrooms are a short walk down the hallway. Our cabins have 6 sets of bunks with the bathrooms located in a building just a short walk away from the cabin. Younger daughters and their moms will typically be housed in buildings with bathrooms right down the hallway from their room.

5. Are you able to accommodate food allergies?

Our food service is used to working with guests with food allergies and special diets. Gluten free options and dairy free options are offered at each meal. For more specific food issues it would be best to call camp and speak with our Food Service Director and she can go over the weekend menus to help with your planning.
