Frequently Asked Questions:

The cost for the weekend is \$109 per person for daughters ages 13 yrs. and older and all dads. The cost for daughters ages 5-12 yrs. is \$89 per person. This includes your housing, meals, snacks and all activities.

3. What time is check in? When are we done on Sunday?

Check in is at 7:00 pm on Friday night and you will be done after chapel around noon on Sunday.

4. What are the sleeping arrangements? Will I be housed with people I don't know?

Dads and Daughters ARE NOT housed together in the same room, but dads will be housed in a room/cabin right next to their daughter's room/cabin. Daughters will be housed with other girls their own age, unless they are part of a large group and request to be housed together with the girls in the group. Younger girls will be in a room with one of our female staff as a counselor.

We have a variety of buildings that house our guests. Our Retreat Centers have sleeping rooms that each typically have 3 sets of bunks in them. The bathrooms are a short walk down the hallway. Our cabins have 6 sets of bunks with the bathrooms located in a building just a short walk away from the cabin. Younger girls will typically be housed in buildings with bathrooms right down the hallway from their room.

If you are coming with a group of dads and daughters you will be housed together and you would know the others in your cabin or room. If you are coming with just 1 or 2 friends or coming by yourself you will be housed with other dads and daughters.

6. Are you able to accommodate food allergies?

Our food service is used to working with guests with food allergies and special diets. Gluten free options and dairy free options are offered at each meal. For more specific food issues it would be best to call camp and speak with our Food Service Director and she can go over the weekend menus to help with your planning.
