

Hello,

Thanks for considering a canoe trip with Rock Ridge Christian Camp & Outfitters. We are passionate about taking youth into the wilderness to be challenged physically, mentally and spiritually. The Boundary Waters Canoe Area creates a wonderful setting for sharing the ways of Jesus Christ.

Our tripping option, unlike our outfitting option, is designed in a way so that you only have to worry about getting you and your youth here. No trip planning, no food packing, no finding equipment, no devotional planning, no need to worry about a BWCA permit, etc. It's all planned ahead of time and prepared for you, so that when you show up, you can focus on being relational with your youth and not having to worry about anything else.

We hire a number of trail guides each year that go through two weeks of extensive guide training. They are trained in first aid and CPR, camp cooking, route planning, orienteering, working with today's youth, ministry preparation, federal and state regulations and so much more. When completed, they are ready and excited to serve you. Phone calls are set up before your arrival to discuss the trip with your guide, the ministry content that you would like prepared and any little things that need to be discussed beforehand, such as allergies, disabilities or medical conditions within your group.

In the following pages, you will find pricing and available dates, a sample itinerary, a *what's-included* chart, testimonials, and a discount page. If you have any questions whatsoever, feel free to contact me via phone or email as listed below. If you would like to book a trip, contact me and I will send you a contract and registration form.

Thank you for considering Rock Ridge as a partner in ministry.

In Him,

Trip Rates and Available Dates

Due to U.S. Forest Service regulations, each group cannot consist of more than 9 members. With your guide, you are allowed up to 7 youth and 1 adult. More adults and less youth are okay, as long as you come with at least one adult per group. We are very intentional in our ministry about your youth experiencing a life-changing trip with your leader, so that leaders can go back home and build upon that change. Rock Ridge can cater up to 6 groups per week. Many youth groups do several trips at once. It's a beautiful thing to see them all come back together at the end of the week. Our weeks run from Saturday through Friday and are listed below:

Week 1	June 3 rd – June 9 th
Week 2	June 10 th – June 16 th

Overall, I will be praying for this ministry because this is so unique. City kids need this. As long as you offer it we will be returning customers. I hope you consider Hope Lutheran Church as a partner in all this with you for as long as it takes.

I can't say enough about how blessed we were to have Brian as our guide. He was a tremendous leader who was able to quickly connect and bring everyone together. This was a life-changing trip for me and I suspect the entire group. I will highly recommend this camp experience to everyone.

Overall experience was insanely awesome. It was the best Boundary Waters trip I have ever gone on, and ever will go on. It was the best wilderness trip ever.

A Boundary Waters trip takes a year of my work and condenses it into a week. You're spending that week, 24/7, non-stop time together. The growth that I might have with a kid in our relationship in a year, all of that happens in a week. The benefit of that is that they see quickly that you care about them as a person, and that will give me more opportunities to share the love of Christ with them over and over and over. It's a huge blessing having trips in the Boundary Waters through Rock Ridge.
