If you are in one of our Retreat Centers you will have your own sleeping room with the bathrooms just a short walk down the hallway. If you are in one of the cabins you get the whole cabin to yourselves no matter what size your family is, and the bathrooms are in a building just a short walk away. We have a variety of buildings that house our guests. Our Retreat Centers have sleeping rooms that each typically have 3 sets of bunks in them. Our cabins have 6 sets of bunks.
